FAPA_SPA_055

This development project is built as a small and friendly village of 62 one, two and three bedrooms high standards town-houses style apartments .

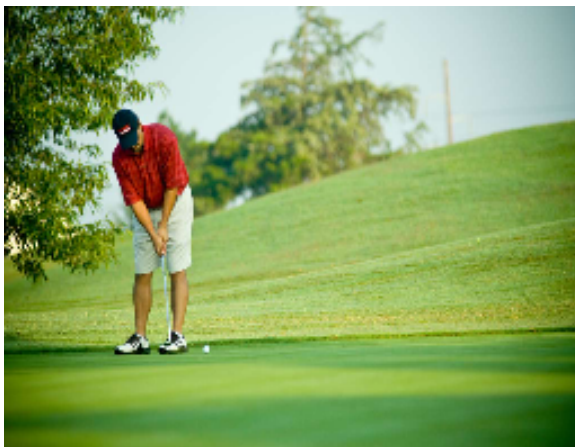

The Golf Club found in front of the project offers an 18 holes golf course, with wonderful sea and mountains views. It is close to natural scenery and wildlife reserves.

Location

Located on a quiet, unique and authentic neighborhood, surrounded by private villas, a new project, named Cortijos altos. The project is a front line Golf Project, with La Duquesa Golf and Country Club, neighboring it.

It is found within a walking distance from the beach, the marina and all amenities and services.

Price starting from 290,000€
